

## 2025-26 Hard Surface Roads Only Routes

Students can be picked up along these routes at any intersection.

Students will be dropped off at the same intersection in the afternoon and someone will need to be there to pick the students up. Drivers will not drop students off if no one is there and they will be brought back to the bus barn in Manchester. (563) 927-3515 ext. 412

Students will need to ride the same bus number home that they rode in the morning. This may or not be their normal bus number because of the routing changes.
