### High School Office

#### ISASP Prep & Testing Schedule

As we head into **ISASP season this spring**, we want students to be focused and confident. ISASP results are one key measure used in our **Iowa School Performance Profile (ISPP)**—and a strong effort helps us keep improving. West Delaware is currently in the **High Performing** category, ranked **#12 in the state** and **#1 in the WAMAC**. Our goal is to keep building and push toward an **Exceptional** rating!

#### Key Dates

- **March 5** — ISASP Prep
- **March 12** — ISASP Prep: **Honor Code / SRT Test Prep (Tools)**
- **March 19** — ISASP Prep: **ELA Review**
- **March 27** — ISASP Prep: **Math Review**
- **April 13-17** — **ISASP Testing Week**

#### How families can help

- Encourage **attendance, sleep**, and a **good breakfast**
- Remind students: **take your time, use strategies, and give your best effort**

#### Attendance Reminder for Families:

If your child misses school for a doctor, dentist, orthodontist, or other health-related appointment, please send a note from the provider to the school office. This helps us keep attendance records accurate and may help ensure the absence is handled appropriately under Iowa attendance guidelines and district policy. Thank you for helping us keep our records up to date and supporting clear communication between home and school.

### Counselors' Corner

 **Senior Awards Night:** West Delaware has the distinct pleasure to invite the WD Class of 2026 seniors, parents, family, friends, and community members to Senior Awards Night on Wednesday, May 6th, at 7 PM in Hanson Auditorium. We will be celebrating at this prestigious platform, recognizing our seniors' remarkable achievements and dedication to academics, athletics, arts, and community service. We look forward to seeing you at Hanson Auditorium!

 **Term 3 Early Graduation Deadline** for current seniors is Wednesday, March 4th.

 **WD Local Scholarships Available Now:** West Delaware is fortunate to have generous support from local community members and organizations supporting the future goals of our graduates. Last year, over \$87,000 in awards were given to WD seniors. Be sure to check out our [scholarship page](#) and apply to any and all local scholarships you can. Senior Awards Night will take place on May 6th.

 **Brain Health Bit:** The counseling team at West Delaware is excited to be bringing nationally recognized speaker Harry Miller to the high school for students at the beginning of April. Harry was an offensive lineman for the Ohio State Buckeyes from 2019-2021 where he medically retired at the height of his career, stepping away from the sport to focus on his mental health. We are excited to bring Harry to our campus to share his story, answer student questions, and spread the message of the Together We Are Brain Health Campaign that talking about mental health is the first step to prioritizing mental health.
